Angie

The Rolling Stones

Angie, Angie, when will those clouds all disappear?

Angie, Angie, where will it lead us from here?

With no loving in our souls and no money in our coats

You can't say we're satisfied

But Angie, Angie, you can't say we never tried

Angie, you're beautiful, but ain't it time we said good-bye?

Angie, I still love you, remember all those nights we cried?

All the dreams we held so close seemed to all go up in smoke

Let me whisper in your ear:

Angie, Angie, where will it lead us from here?

Oh, Angie, don't you weep, all your kisses still taste sweet

I hate that sadness in your eyes

But Angie, Angie, ain't it time we said good-bye?

With no loving in our souls and no money in our coats

You can't say we're satisfied

But Angie, I still love you, baby

Ev'rywhere I look I see your eyes

There ain't a woman that comes close to you

Come on Baby, dry your eyes

But Angie, Angie, ain't it good to be alive?

Angie, Angie, they can't say we never tried
