How high the moon - The Swings

```
A7                Dmaj7
Somewhere there's music,
              d7    G7
how faint the tune?
                   Cmaj7
Somewhere there's heaven
             c7    F7
how high the moon?
  Bb(+7)    e7-5
There is no moon above when
A7      a7       e7-5
love is far away too
     A7       D9
Till it comes true
    e7       A7    f7     F7   e7
hat you love me as I love you.

      e7  A7       Dmaj7
Somewhere there's music
              d7   G7
how near, how far?
                   Cmaj7
Somewhere there's heaven
               c7    F7
it's where you are.
    Bb      e7-5
The darkest night would shine
    A7                  Dmaj7
if you would come to me soon;
  A7-9     f7         F7      e
Until you will, how still my heart,
   e7   A7-9  D6
how high the moon?

Somewhere there's music
how near, how far?
Somewhere there's heaven
it's where you are.
The darkest night would shine
if you would come to me soon
Until you will, how still my heart,
how high the moon?
