You ain't been blue, no, no, no;

You ain't been blue 'til you've had that mood indigo.
 D    Dmaj7  D7              G6    G5         g
That feelin'   goes stealin' down, down to my shoes
 A+   D  A+  D   B7    C+  A+    D      A7
While I sit and sigh, "So long, blues."

D        D6   D    E    E6 E
I always get that mood indigo
  A6       A    A7        D     Fdim   A
Since my baby said, "Goodbye."
D          D6  D       E         E6   E
And in the eve-nin', when lights are low,
f7                       A
I'm so lonesome I could cry
D9                           D         Dmaj7 G
'Cause there's nobody who cares about me
            g7       A+      A7+5 D
I'm just as blue as blue can be.
         D6        E    E6 E
I always get that mood indigo
A6              A    A7  D  Fdim A
I could lay me down and die.
