Young man, are you listening to me
I said, young man, what do you want to be
I said, young man, you can make real your dreams
But you got to know this one thing

No man does it all by himself
I said, young man, put your pride on the shelf
And just go there, to the YMCA
I'm sure they can help you today

{Ref}

Young man, I was once in your shoes
I said, I was down and out with the blues
I felt no man cared if I were alive
I felt the whole world was so jive

That's when someone came up to me
And said, young man, take a walk up the street
There's a place there called the YMCA
They can start you back on your way

{ref 2}
