Little Angel - The Vipers

```
Dmi        Ami
Give me an angel
G7      Ami
give me hope
give me fire
give me love
   Dmi   Ami    Dmi   Ami    Dmi      Ami   F      G     Dmi
: I say hello, hello hello, oh I say hello to my little angel :

Dmi        Gmi         Ami         Dmi
Give me a little hope, little hope oh wee
Give me a little hope, little hope for me

Give me an angel
give me hope
give me fire
give me love
: I say hello, hello hello, oh I say hello to my little angel :

I want to be an angel in the sky
I want to see the world from heaven
my love is your forever
I give you my heart

Give me a little hope, little hope oh wee
Give me a little hope, little hope for me
Give me a little hope, little hope oh wee
Give me a little hope, little hope for me
oh I say hello, hello hello, oh I say hello to my little angel.
