G D  
The more you see the less you know  
C D  
The less you find out as you go  
G D C  
I knew much more then that I do now

G D  
Neon heart, day glow eyes  
C D  
A city lit by fire flies  
G D  
They're advertising in the skies  
C  
For people like us

H C  
And I miss you when you're not around  
H C  
I'm getting ready to leave the ground

D C G, D, C  
Oh you look so beautiful tonight  
G D C  
In the city of blinding lights

G D  
Don't look before you laugh  
C D  
Look ugly in a photograph  
G D  
Flash bulbs, purple irises  
C  
The camera can't see

G D  
I've seen you unafraid  
C  
I've seen you in the clothes you made  
G D C  
Can you see the beauty inside of me  
G D C  
What happened to the beauty I had inside of me

D C  
And I miss you when you're not around  
D C  
I'm getting ready to leave the ground  
D C G, D, C  
Oh, you look so beautiful tonight  
G D C  
In the city of blinding lights
