One - U2

```
Ami           D
Is it getting better
F                  G
Or do you feel the same
Ami                      D
Will it make it easier on you
F                     G
Now you got someone to blame
        C         Ami
You say one love, one life
F                   C
When it's one need in the night
It's one love
We get to share it
It leaves you baby
If you don't care for it

Did I disappoint you
Or leave a bad taste in your mouth
You act like you never had love
And you want me to go without
Well it's too late tonight
To drag the past out into the light
We're one but we're not the same
We get to carry each other, carry each other
One

Have you come here for forgiveness
Have you come to raise the dead
Have you come here to play Jesus
To the lepers in your head
Did I ask too much
More than a lot
You gave me nothing
Now it's all I got
We're one but we're not the same
We hurt each other, then we do it again

You say love is a temple
Love a higher law
Love is a temple
Love the higher law
You ask me to enter but then you make me crawl
And I can't be holding on to what you got
When all you got is hurt
One love, one blood, one life
You got to do what you should
One life with each other
Sisters, brothers
One life but we're not the same
We get to carry each other, carry each other
One
One
```
