Sometimes you can make it on your own - U2

```
Intro
A G F#m D A

A
Tough
    G
You think you've got the stuff
       F#m            D
You're telling me and anyone
       A
You're hard enough

    A
You don't have to put up a fight
      G
Don't always have to be right
F#m                       D
  Let me take some of the punches
    A
For you tonight

D              A
  Listen to me now
                  D
I need to let you know

You don't have to go it alone

         A                       E
And it's you when I look in the mirror
         D
And it's you when I don't pick up the phone
 A                  E               D
Sometimes you can't make it on your own

   A             G
We fight all the time
        F#m
You and I
         D
That's alright
          A
We're the same soul

        A
I don't need
      G
Don't need to hear you say
           F#m         D
That if we weren't so alike
               A
You'd like me a whole lot more

D              A
  Listen to me now
                  D
I need to let you know

You don't have to go it alone
```

```
         A                       E
And it's you when I look in the mirror
         D
And it's you when I don't pick up the phone
  A                 E               D
Sometimes you can't make it on your own

F     C     Dm
              I know that we don't talk
F     C     Dm
        I'm sick of it all
F     C     Dm
    Can you hear me when I
A
Sing
 D
You're the reason I sing
                   E        A
You're the reason why the opera's in me
    D
Hey now
                      A
Still got to let you know
                        D
A house doesn't make a home
                     E
Don't leave me here alone

         A                       E
And it's you when I look in the mirror
         D
And it's you that makes it hard to let go
A                    E               D
Sometimes you can't make it on your own
A                    E
Sometimes you can't make it
D
Best you can do is to fake it
A                    E               D
Sometimes you can't make it on your own

A
```
