

Angel - Voegele, Kate

(VERSE 1)

Hmi A D
I've said it once and i'll say it again,
Hmi A D
I've got something hanging over my head.
 A D A D
I was, laying on your shoulder, perfectly content,
A G
until you told me all over again...

Hmi A D
I ain't got no sob story to write,
Hmi A D
just like everyone else I'm living this life, and you,
A D A D
don't need to win me over and there, ain't no other side
 A G
to shelter me from, I belong where I decide...

(CHORUS)

...but you say,
D Hmi
We don't mess around, you've got no freedom to come down,
 G A
we don't take angels, from the sky, oh no...
D Hmi G
We don't mess around you're meant to be among the clouds cuz you're an angel
 A
but that's a lie...

(VERSE 2)

Hmi A D
Well I suppose you think I'm so flattered to hear,
Hmi A D
that I'm the whispered conscience in your ear, yeah,
A D A D
And that's exactly the reason that I, never fit in here...
A G
Nothing's ever that black and white my dear, no...

(CHORUS)

...cuz you say
D Hmi
We don't mess around you've got no freedom to come down,
 G A
we don't take angels, from the sky...
D Hmi G
We don't mess around you're meant to be among the clouds cuz you're an angel
 A
but that's a lie...

(BRIDGE)

(Strum once per chord)

D Hmi
I'm not your angel darling, I'm not you're angel darling,

G A

I, am never gonna be...

D Hmi

I'm not your angel darling, I'm not you're angel darling,

G A

I, am never gonna be...

(CHORUS AGAIN)

D Hmi

We don't mess around you've got no freedom to come down

G A
we don't take angels, from the sky...

D Hmi

We don't mess around you're meant to be among the clouds cuz you're an angel

A
but that's a lie...

OVERTOP OF CHORUS x3

I'm not your angel darling, I'm not your angel darling, I, Im never gonna be

D Hmi

We don't mess around you've got no freedom to come down

G A
we don't take angels, from the sky...

D Hmi

We don't mess around you're meant to be among the clouds cuz you're an angel

A
but that's a lie...

D Hmi

We don't mess around you've got no freedom to come down,

G A
we don't take angels, from the sky
