Family Tree - Wheeler Walker Jr.

[Verse 1]

```
A                                      E
Girl you say that it's over that it's time for goodbye
E                                        A
but you were never the one that I had in my eye
A                                  E
no I only got close because honestly
E                                       A
I wanna climb all the way up your family tree
```

[Chorus]

```
         D       A
cuz if I had my druthers
  E                   A
I'd buttfuck both your brothers
        D           A
then I'd grab your sister
         E             A
take her out back and fist her
   D             A
go down on your mama
  E                  F#m
start a whole lotta drama
          D        A
save your dad for last
        E             A
so I can eat out his ass
```

[Verse 2]

```
A                            E
don't mean to upset you don't mean to offend
E                                       A
can you talk to your family and see if they're in?
A
all the dinners and parties
                   E
I always felt they liked me
E                                    A
I wanna nail everyone in your family tree
```

[Chorus]

```
D               A
dont need your lovin'
         E                  A
rather suck off all your cousins
          D          A
then I'll grab your auntie
       E                    A
finger fuck her through her panties
           D          A
then I'll grab uncle Andy
         E               F#m
```

```
reach around give him a handy
      D              A
give your grandpa a call
         E             A
so I can tickle his balls

[Bridge]

E
need a little lovin'
        D          A
and I know it's a sin
E
girl you're real special
           D             A
I'd rather be with your kin
E
I think your sister likes me
    D                 A
she smiles at me and then
E
she goes down

[Instrumental]

A E  A  E  A

[Chorus]

         D       A
cuz if I had my druthers
  E                   A
I'd buttfuck both your brothers
        D           A
then I'd grab your sister
         E             A
take her out back and fist her
   D             A
go down on your mama
  E                  F#m
start a whole lotta drama
          D        A
save your dad for last
        E             A
so I can eat out his ass
         D        A
save your dad for last
        E             Dm   A
so I can eat out his ass
```
