[VERSE 1] Riff

F C  
You say that you're damned  
Dm Am G  
You say that your life isn't fair  
F C  
What's right and what's wrong  
Dm Am G  
You've got your needs and you just don't care  
F C  
On and on we drift  
Dm Am G  
Back to where we were before  
F C  
You can welcome me in  
Dm Am  
I will not walk through that door  
G  
Oh, no, no.

[CHORUS]

C G Dm Dm  
I may be blind but I'll find my way  
C Am F  
Like a lost prayer on stormy day  
F  
Oh, stormy day

Keep your war to yourself

 On and on we drift  
 Back to where we were before

 I will not walk through that door  
 Oh, no, no.
